

**Prince William Sound Science Center New Facility Construction Project in Cordova, Alaska  
Request for Statements of Qualifications RFSOQ for Design-Build Contractors**

**ADDENDUM #01  
July 8, 2020**

This addendum consists of one page.

The information presented in this addendum takes precedence over original information contained in the RFSOQ document.

ITEM 1:

The RFSOQ stated that members of the Bridging Document Design Team are prohibited from participating in responses to this RFSOQ however there are exceptions based on continuity and the specialized experience these individuals bring to the project:

- Energy Engineer: James Rehfeldt, Alaska Energy Engineering
- Mechanical Engineer: Randy Williams, PDC Engineers

The following firms are prohibited from participating in responses to this RFSOQ: MCG Explore Design, PND Engineers, PDC Engineers (less Randy Williams), Corvus Design, Estimations, and Woods Bagot.

ITEM 2:

The anticipated budget for this design-build contracting effort is in the \$10M to \$15M range.
